Documentation required for claims

Who?	***What?***	***Where?***	***Why?***
You should identify who was involved in the meeting or activity in which the expenses were incurred. Specific names are necessary if those individuals are included in a meal you paid for.	This establishes the nature of the expense, for example breakfast, mileage, etc.	Identify the location where the expense was incurred, such as chapter #, restaurant name, city, etc.	Identify the business purpose of the expense or the event at which the expense was incurred.
