- HR requested that we add the PERS website to our webpage.
  - We should create and log into our PERS account before anyone can help us with PERS.
- John Steele commented on the holiday pay date change. We are usually paid on the last day worked instead of the 25th of the month. Why the change?
  - That is related to our new contract about not getting all of our paychecks in one sum for the summer. Now across 12 months.
  - John wants that changed back to the last day worked.
  - Jessica suggested that we could do an amendment. That will be discussed in labor management.
  - This same issue will come up in December, spring break, and summer break.
  - Leon Mentioned that when they pay on the last day worked instead of the 25th, overtime or extra pay isn't added. They have to cut a separate check.

### **Adjournment**

There was no further business and, without objection, the meeting was adjourned at 4:32 p.m.
